

Growing Minds Homeschool STEM Labs Spring 2021

REGISTRATION

For questions or to register email katie@growingmindsfarm.org. If you are a member of GLOW contact Jennifer Prosser for your registration instructions.

Frequently Asked Questions

What is the cost and where is the farm?

The cost is \$75 per student for the six class bundle (*Minimum 4 students per session. Maximum 15 students per session.*) Our address is 3050 Grape Lane, Mount Pleasant, SC 29466.

Can younger siblings attend?

Parents are welcome to bring younger siblings and supervise their play in the outdoor learning lab area adjacent to where our lesson will take place while their registered student(s) participate in the lesson and accompanying activities. If the sibling wants to participate in the lesson and activities then they will need to be registered as we will only have space and supplies for 15 students for each lesson.

Cancellation policy?

If a class is cancelled due to inclement weather or circumstances beyond our control, we will provide a make-up class on the same day of the week and time window as the original class. We are unable to offer refunds but if your student misses a class, we can provide a take home kit which includes the missed lesson and activity.

Can I register for single classes?

If there is open space, registration will open on 3/8/2021 for classes to be booked individually at a rate of \$15 per student per class. If you would like to be added to our waiting list for individual class registration please email info@growingmindsfarm.org and write homeschool waiting list in the subject line.

Do I have to sign a waiver for each class?

You only have to sign our digital waiver once. Adult and all children that may attend can be put on the same waiver so it is easiest to put everyone on the first waiver then you do not have to add anyone at a later date. Our waiver link can be found on our website or by copying and pasting this link: <https://waiver.fr/p-eujkn>
